Good Tidings of Great Joy

Dear Friends, Merry Christmas!

Do you know about the origin of Christmas - the day the whole world celebrates?

People remember their kings and nobles because they have been great in their history, but there is no one like Jesus Christ. His birth has been remembered by the whole world and in fact it is the beginning of our era. Today the calendar that we use starts on the birth of Jesus Christ. This is a wonderful work of our Creator the Almighty God. He wants to witness that nearly 2000 years ago, He had sent His Begotten Son Jesus Christ. He becomes man to be the Saviour of the world.

The Birth of Jesus Christ

We know all men are born from men, but only Jesus descended from heaven for the sake of saving mankind. In the Bible it is written, "There were in the same country shepherds abiding in the field, keeping watch over their flock by night. And, lo, the angel of the Lord came upon them, and the glory of the Lord shone round about them: and they were sore afraid. And the angel said unto them, Fear not: for, behold, I bring you good tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord. And this shall be a sign unto you; Ye shall find the babe wrapped in swaddling clothes, lying in a manger. And suddenly there was with the angel a multitude of the heavenly host praising God, and saying, Glory to God in the highest, and on earth peace, good will toward men." (Luke 2:8-14) According to the Bible, when Jesus Christ was born,

the angels announced the good news saying, "I bring you good tidings of great joy, which shall be to all people." Why tidings of great joy? "For unto you is born this day in the city of David a Saviour, which is Christ the Lord." For all men have sinned and are under the power of death and Satan, so all are under the Wrath of God. All will face the righteous judgment of God. Yet, God loves the world. He not only created the world for us, He also sent His only Begotten Son to be our Saviour. All so believe in Him will be saved and have everlasting life.

Jesus is Saviour

What is "Saviour"? "Saviour" is not like any founder of a religion. All other religious founders are human. They are still under the power of sin and death. They cannot escape the final judgment of our creation, just like Buddha and Mohammed. They never call themselves God and they admit that they had been searching for truth in vain. Only Jesus is God's Beloved Son. He is God Himself become man. He comes down to this earth and becomes our Saviour. He does not need to seek the Truth, for He Himself is the Way, the Truth and the Life. It is written in the Bible, "All things were made by him; and without him was not any thing made that was made. In him was life; and the life was the light of men." (John 1:3-4) Again it is written, "For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.....He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God." (John 3:16-18)

"Neither is there salvation in any other: for there is none other name under heaven given among men, whereby we

must be saved."(Acts 4:12) This is the message the angels proclaimed, "I bring you good tidings of great joy, which shall be to all people." Oh! His birth concerns the whole universe! He is the Savior of all countries, all races and all peoples. He is the Greatest Need of all mankind.

The Saviour is not a founder of a religion. A founder of a religion puts the importance on religious teaching, but he has no power to make people overcome sin. Where there is man, there is power struggle and all kinds of evil, for the Bible says, "For I know that in me (that is, in my flesh,) dwelleth no good thing: for to will is present with me; but how to perform that which is good I find not."(Romans 7:18) But Jesus Christ is not the founder of a religion. He not only teaches Truth, but also gave His Life to us all. Because He loves us, He willingly forsook His Father's Glory and became man. He heals the sick, cast out demons, has compassion for the poor and proclaims that the Kingdom of God is near. In the end, He becomes scapegoat on the Cross bearing all our sins.

Today, the Red Cross becomes the signal of help. The Red Cross is originated from the Cross of Jesus Christ. When citizens in the disastrous areas saw the Red Cross Team, they know they have hope. This Red Cross witnessing the suffering Jesus on the Cross, shedding His Blood to save mankind so that everyone who believes in Him would not perish but have everlasting life.

Jesus is Saviour! He not only died for man's sins, He has overcome death and the power of darkness. He raised from the dead on the third day and ascended and seated on the Right Hand of God the Father. He sent the Holy Spirit to all those repent and trust Him. He gives them the everlasting, holy and overcoming Life. He saves us all believers out of the bondage of sin, out of the suffering on earth and from the power of Satan.
